

Seddon Homes News Release

17th February 2009

Comfort and up-to-the-minute style combine at Zenith

If you thought cutting edge interior design wasn't in your comfort zone, think again. Seddon Homes offers the best of two worlds with its impressive Zenith development at Gatley, near Cheadle.

Exterior and interior designs are state-of-the-art with dazzlingly effective use of contemporary glass, steel and cedar wood, while expansive windows create a living space flooded with natural light.

The up to the minute design is coupled with a relaxed, informal feel, creating an undeniably sophisticated look, but with the extra measure of comfort afforded from a three storey town house.

Zenith also offers a perfect mix of city and country life, situated just 20 minutes from Manchester city centre and 20 minutes from the heart of rural Cheshire.

On the site of a former tennis club, the 14 properties are built to form a crescent off Belmont Road. Each have front and rear gardens, while a shared landscaped area can be enjoyed by all. The three detached houses and 11 three-storey town houses are guaranteed to create an immediate and lasting impression.

The show home's striking interiors demonstrate the possibility for discerning buyers to create a home of unique taste and style.

Seddon Homes sales and marketing director Denis Maddock said: "This is a landmark development offering flexible living space and bursting with up to the minute design features, inside and out."

"Our architects have set a new benchmark which puts many rival designs in the shade. "Gardens, garages and off-road parking are an additional bonus."

All the properties boast three or four bedrooms, an en-suite and main bathroom, plus top-of-the-range German-built kitchens and eye-catching stainless steel appliances.

Zenith is a short walk from Gatley railway station and offers easy access to the north west's motorway network.

Σ Seddon Homes has also just announced plans for its latest development, comprising nine sizeable four bedroom, three-storey townhouses on the site of the former Waterford Dairies, at Brookburn Road, at nearby Chorlton, to be known as Travisgate.
