

Seddon Homes News Release

4th February 2009

St Valentine's Day weekend offers the perfect opportunity to discover the home of your dreams

With Cupid at the height of his powers over St Valentine's Day weekend potential buyers could easily fall head over heels in love with Seddon Homes' state-of-the-art Zenith development in Gatley, near Cheadle.

It offers the perfect mix of city and country life – just 20 minutes from Manchester city centre and 20 minutes from the heart of rural Cheshire.

There is an unbeatable opportunity to explore these stylish new homes, plus take advantage of expert advice on stress free ways to move, over an open weekend on February 14 and 15. With independent mortgage advisers on hand, buyers can find out on the spot about their mortgage eligibility and repayment options.

Selected part-exchange deals will be considered, with valuations and even offers potentially available on the day.

The chic and contemporary Zenith development comprises 14 properties built around a crescent off Belmont Road.

The cutting edge design of the three detached houses and 11 three-storey town houses means they create an immediate and lasting impression.

The show home features subtle but sophisticated interiors, which truly demonstrate the dazzling potential of the properties.

Seddon Homes Sales and Marketing Director, Denis Maddock, said: "This is a landmark development offering flexible living space and bursting with up to the minute design features, inside and out.

"With Zenith, our architects have achieved new heights of style with its sharp and eye-catching design. They have set a new benchmark which puts many rival designs in the shade.

"We're combining plenty of glass, steel and cedar wood with contrasting sharp angles and balconies. Gardens, garages and off-road parking add to the package."

All the properties boast three or four bedrooms, an en-suite and main bathroom, plus top-of-the-range German-built kitchens and striking stainless steel appliances.

Denis also recommends that buyers consult Seddon's independent financial advisers about mortgages.
