

The Bowling Green 55 News Release

1st October 2010

Exclusive development for over 55s promises warm winter offers

New homes builder Seddon Homes is set to take the chill out of the predicted cold winter with its exclusive Bowling Green 55 development in Stretford.

Sales Adviser Helen Roadhouse explains: "Our contemporary collection of apartments for the over 55s has already proved a big hit with like minded buyers looking for a safe, secure cosy haven. Most importantly, we understand that the costs of running a home can be worrying – particularly in view of the cold winters we are experiencing. The comfortable, contemporary apartments at our Bowling Green development afford economical living and with our current incentive of '6 months bill-free' and 'Try before you buy' I'm confident that potential buyers looking to downsize will really appreciate the friendly and supportive unique community here"

The stress of moving is another factor that Seddon Homes have taken into consideration.

Helen adds: "When I talk to prospective buyers, they regularly voice their concerns about the worry of moving into a different living environment. Will their furniture be suitable? What about packing and moving costs? Often they are uncertain as to what to do with belongings accumulated over a lifetime. At Seddon, we really appreciate these worries and that's why we can offer a complimentary bespoke room planning service to advise on making your new apartment as homely as possible. What's more, we'll even pack up your furniture, arrange all the moving details and even store additional belongings at a secure depot for 12 months...all for free!"

The Bowling Green offers a unique community lifestyle that current residents are already enjoying with regular trips and activities undertaken throughout the course of the year. The recent trip to Llandudno was a great hit and one to be repeated undoubtedly.

The best way to fully appreciate the warm welcome that awaits you is to visit.

Helen comments: "The first step is just to come and have a relaxed chat and leisurely walk around. Currently, I'm organising informal coffee mornings that allow movers to really get a feel for what we have to offer here as well as asking any questions that are specific to their needs. Many other residents are happy to share their experiences which can be a great re assurance that moving does not have to be traumatic or costly.

Please do call me to let me know a convenient time for a chat and perhaps you could be looking forward to a warm, friendly new home this winter!"

The Bowling Green 55+ development is situated Off Davyhulme Road, Stretford M32 OHN. Tel: 0161 865 4426.

Opening hours: Thursday – Monday 10am – 5pm.
